

Colombian Emeralds throws a yearend party

Local clients of Colombian Emeralds International were invited to the jewelry store's traditional yearend celebration. A special 15% discount – also a tradition - was offered in the invitations to all who attended and presented the card when completing a purchase. Walk in guests were enthusiastically greeted as well. A night of fun and relaxed socializing with Manager Jeanette Keith – expecting a sibling for her daughter on Christmas Day - and her team was enjoyed by all. Lively music by Aruba's troubadours Etty and friend, free flowing libations and non stop hors d'oeuvre service topped off the event. Colombian Emeralds International's yearend shopping night at Renaissance Mall was once again a huge success.
